Software Support Plans

Overview

There are two support plan options available for Virtual TimeClock. All new software purchases include free Standard Support that includes 30 days of support and training, free access to our self-service online documentation and discounted software upgrades. Premier Support is available for a low annual fee and includes unlimited tech support, training and free upgrades to our latest releases. The chart below compares the benefits of the Standard and Premier support plans:

Support	Standard	Premier
Software Installation, Setup & Training	30 days	Unlimited
24/7 Online Support Resources (<i>Knowledge Base, Videos, Articles</i>)	Included	Included
Telephone & Email Support (<i>Weekdays 8am - 5pm Pacific</i>)	30 days free, \$49/ incident thereafter	Unlimited
Software Bug & Maintenance Updates	Included	Included
Annual Software Upgrades	30% off	Included
License Name & Address Changes	\$29	Included
Newsletter	Quarterly Newsletter	Monthly Tips & Tricks

Premier Support Pricing

We want all users to have the very best experience learning and using our software. This is especially important in the first year so our Premier support plan is discounted 20-60% when purchased with your time clock software. You may enroll within 30 days after purchase at the regular rate:

Virtual TimeClock Edition	with Purchase	Regular
Pro Edition	\$49	\$75
Network Edition - 1 to 9 Computers	\$75	\$125
Network Edition - 10 to 24 Computers	\$125	\$165
Network Edition - 25 to 49 Computers	\$125	\$195
Network Edition - 50 or more Computers	\$125	\$295
Site License	\$195	\$395

Premier Support may be renewed annually. Should you decline to continue Premier Support enrollment, your current version of Virtual TimeClock software continues to operate normally and is yours to keep and use forever under Standard Support benefits. Any future support needs and upgrades continue to be available according to the Standard Support outlined above.
